From the Testimony Gathered by The World There Was an Operation.

IT WAS PERFORMED ON BOARD THE YACHT ONEIDA.

Dr. Hasbrouck Says that It Was Not for Cancer, Though

Character-The Doctor Asserts that Never Had-Another Physician Gives Couple of feeth-Mr. L. Clarke Davis Declares in a Communication to Mr. for the Kumars Is the Toothache-A Correspondent Who Fished Next to Mr. Cleveland Says He Is Hobust

GREENWICH, Conn., Aug. 30.-A letter purporting to give the true history of the opration performed on President Cleveland on E. C. Benedict's steam yacht Queida en the way to Buzzard's Bay before the extra session of Congress was called was published to the Philadelphia Press of Aug. 204. In his account that paper's correspondent

said that some of the features of Mr. Cleveland's maindy recalled Gen. Grant's last IIIness, and that instead of being a mere dental tissue and bone of which the best the surgeous now hoped was that it was not ma-

val of part of Mr. Cleveland's upper | appear at his

The letter was signed " Holland," which, it is well known, is the nom de plume of the knows nothing about either the disease paper's New York correspondent, E. Jay

Edwards.

Mr. Edwards to-day gave as his authority for the story the name of Dr. Jones, or Greenwich, Conn., who is E. c. Benedict's family physician, and a World reporter called on him to-night.

"Mr. rdwards, I am informed, has quoted you as authority for his story?"

Dr. Jones looked surprised and eyed the reporter silently. "You know Mr. Edwards, don't you?" he was asked.

"Yes," he regiled, "I know him. He lives

"Mr. idwards, I am informed, has quoted you as authority for his story?"

Br. Jones tooked surprised and eyed the reporter sitentity. "You know Mr. Edwards, I am on the read of the reporter sitentity." You know Mr. Edwards, I am on the read of have not him frequently."

"Weil, did you or did you not give him the facts contained in his artile?"

"Why don't you go to Mr. Edwards or asked for wones. On being told that The World wanted his version, he said: "I may have socked to Mr. Edwards shout the matter. I heard a great deal and, line all medical men. I formed conclusions. But I would not want to be quoted as naving started the publication of any such article. I never med in on-will action, nor was my active asked for in any way, and I have not not Mr. Gleveland more than two or three times. Then I barriy exchanged a few words with him. I was not on the steam yacht oheids at the time of the operation, and I never nearl a word from the pitysicians who were there, nor did I ever speak to Mr. Benedict."

"Weil," said the reporter, "The World test that you would surely not have said the what you did to Mr. Edwards without good reason." Dr. Jones smiled and said "Heally you my more."

"Will you say to The World whether the

coothache. If it has any other Me Cleveland's friends do not know it. I have seen the President at frequent

ntervals since he first came to Huzzard's Bay this Summer, passing hours and days in his house and in the boat Sehing with him. I passed all of last Monday with him fishing, and I have iever seen him in better health, neve stronger physically or mentally, and I consider him in both respects the health lest man I ever knew.

Any stalements to the effect that "the President is a very sick man" are absoand that the Surgical Operation That intely without any basis of truth. He Followed Was of an Ordinary is, in fact, a particularly well man, extng, sleeping, working and thinking and Mr. Cleveland Bas No Cancer and taking recreation in a wholesome, vigorcus fashion.

That he was a tired man when he atlon. It as His Opinion that the Operation came to Buzzard's Buy is true. That he was Performed for a Cause More needed rest from the great physical and meeded rest from the great physical and mental strain that was put on him after the 4th of March is also true, but that he is suffering from any chronic or ma-lignant disease is not true. To his present strength, health, vigor, good spirits and cheerfulness I can cer-tify of my own personal knowledge. The President would have left Gray Gables on Toesday for Washington in Mr. Benedict's yacht had he not been storm-stayed.

Mr. Benedicts yawn has all state-storm-stayed. It is quite safe to say that all state-ments made shout his III-health at this time are calculated, and are probably in-tended, to add to the public distress, and are either pure inventions of enemies or

THERE WAS AN OPERATION.

No official statement has yet been given out concerning the nature of the rouble for which President Cleveland inderwent an operation last month, and here will be none until Dr. Bryant sees fit to prepare one.

The hopeless middle which the problem of Rapid Transit in New York has reached affects that city fortunately only towards the North. The prospect of anything better than banging on by the straps on the Elevated road or running through the smoky, sweitering and gaseous tunnels that run Northward is unrelieved.

But even if there was a prospect to great examination of the hour.

The work, and indeed, about any city in the world.

The city of the future must grow in this direction and its courte be the great bay of New York rather than Central bay of New York and indeed, about any city in the world.

The city of the future must grow in this direction and its courte be the great bay of New York rather than Central bay of New York rather than Ce

morrow for a most perfect system of rapid transit in that direction, it does not inferest seven out of every ten men in property on States leand. The crit sale of this much, is of real and ab-orbing interest is medecat and to per cant, on nongage, for a very small fraction of citizens.

The real Rapid Transit for the accou codation of New York has already gone forward in an Easterly and Southerly dithe service of thou-ands and tens of thousands, unaffected by the movement towards the North, Already the Brook lyn Elevated roads and the various trolley systems have given a service that relieves more potent for home-gatting than is possible to result from the farce periodically reported in such as plitude at Mr. Steinway's bedside that emanates from Mr. Starin's massive tain, or is possible to Mr. George Gould's millions, or the wisdom of the Sage of Wall Street. But even in Brook

Shoes

Sh

beyond the average wage-carrier the possibility of property within his means.

A survey of the field, therefore, of possible occupancy around New York for the homes of its overflow of men of moderat means, discloses to locality except on in which it is possible to secure (and an in which it is possible to secure fand and at the same time procure the perfection of traneit. That locality is Staten Island, with its fifty-eight square nutics of hill and date, of scashore, water front and other attractions. Not on the feet-stool of the great Creator is there a locality place, or one more delightfully situated for homes for the day week, workers the land water workers.

If one point of a compass is place I at the CH. Hall in New York and the other stretched out on a map to take in a radius stretched out on a map to take in a radius of ten miles, it would seem that the hope of a home to the average man in New York is possible only in the direction that points across the great hay of New York to Staten Island, Here is an area to which Rapid Transit has already been provided by nature, with very intile help from man, across the safest because doubly inclosed. Bay of magnificent proportions. No tracks or tuning a fee needed, and four times as many troople can be carried across it hourly in splendic boars than its possible to any man of tracks under the earth of or its of tracks under the earth or on its face, with a degree of enjoyment.

Mr. W. N. Vanderbilt (the foundation of whose fortune, by the way, was laid on States island) pays half a million dollars for his yacht Valiant and sustants her the sult.

If this opinion is austained in the courts above several inflience of dollars of personal assessments will be added to the tax-rolls of New York.
